

Minutes of the Meeting of IQAC held on 27.02.2020

The meeting was presided by the Hon'ble MLA Dr Nirmal Maji also the Management nominee of IQAC

1. The members present unanimously resolved that the AISHE format and AQAR for the period 2018-19 has to be submitted within the stipulated period. Principal has been requested to collate the information from all stakeholders and do the needful. The audit for the academic session 2018-19 to be completed within 31st March 2020. The audit report with reply to observations has been submitted to DPI on 07.02.2020.

2. As decided earlier, the results of the test examination for 3rd Year Honours and General (I+I+I sys) has been published online and student feedback collected through online portal. Feedback from parents was collected as usual by the departments through teacher-parent interactions and the same has been discussed by the members at today's meeting. The major issue that came out was that the parents are unaware of the shortage in class attendance by their wards. Henceforth periodic notification will be made by the departments about class attendance every month and guardian call will be made for students with less than 70% presence. Most parents also asked to display the attendance record on college website for others to see and preferably in Bengali vernacular.

3. The members emphasized on more number of seminars and workshops related to skill development and on contemporary topics that will benefit the society at large. Departments like Geography, Botany, Chemistry and Environmental Science have been requested to submit proposals and IQAC fund created will bear the costs subject to approval by the finance committee.

4. The IQAC committee proposed setting up of more virtual class rooms and technology enabled mode of teaching learning method using digital platforms available. Principal has been requested to depute or hire technicians who will impart training to the teachers on a periodic basis.

5. Principal and other members stressed the need of the creation of the second approach road and the current status of the project. Hon'ble President sir requested the nominee of the local bodies to take up the matter with the concerned authorities immediately so that any hindrance to this project gets cleared. Principal has also been requested to communicate verbally with the people concerned. This urgent need of creation of a second entry route to college campus became more evident after the huge gathering that took place during the college social earlier this year. Volunteers along with posted police personnel had a difficult time managing the crowd within the campus with a sole entry/exit point.

The meeting concludes with vote of thanks to the chair and to all the members present for fruitful discussion. (start time: 1:45 pm, end time: 2:50pm)

Subject: Permission to introduce Buddhist Studies as GE subject in PG Course at our study center

Respected Madam,

Sincere Greetings from the teaching fraternity, Ramsaday College, Amta, Howrah.

We have introduced Post Graduate course in Bengali in 2016 with an aim to disseminate the fruit of Higher education among the students of Rural Bengal. Since the introduction of CBCS in the academic structure, Political Science was taught as GE subject in the second year for our students (total intake capacity approved is 50). Most recently, with due permission from our Governing Body members, our faculty from Bengali department has proposed to introduce Buddhist studies for our students as their GE subject. This will give them an opportunity to learn and explore the philosophy of Lord Buddha and its efficacy on Indian Literature. The Buddhist studies cover a broad area in respect of Buddhism and will definitely offer our students a glimpse of thought process of the Great Teacher, Buddha

We hereby appeal to grant us permission to introduce the subject in our Post Graduate course curricula. I assure you Madam that we will abide by the guidelines issued by your department and will leave no stone unturned for maintaining the rich standard of education imparted by the parent University.

Our concerted efforts will give the students a platform of knowledge gaining and sharing.

Our admiring regards

Yours faithfully
