

## NOTICE

Quotation in sealed cover is invited for partial remodeling of existing sports infrastructure at Ramsaday College complex. The already existing structure made of iron rods (9 nos of 20.6 ft high each) and steel sheet as roof, measures 40 ft x 25 ft x 20.6 ft. Extension of another **15 ft in length and 25 ft in width** maintaining the height of 20.6 ft is needed. The total length of 55 feet on one side now has to be covered from top with 6 ft hanging sheet of good quality material. The same side will now have 6 feet of net cover. The entire structure will have shade of blue and white colors. Vendors are advised to visit the construction site and then submit the quotation to the undersigned. Quoted price should be inclusive of all and should reach us within 2.1.2020 (4 pm) by speed post or by hand.
