## NOTICE

As approved by the Governing body, a College gate near the second approach road to campus will be constructed of following specifications.

Two Solid foundations of 4 (four) feet depth and 3 (three) feet above ground (each of 2.5 feet wide) with base lintels to support two solid pillars of 12 feet high on both sides. Above the pillars will be a horizontal platform (1.5 feet thick) to emblem the college name and logo at middle. The two base foundations should have minimum 15 feet gap between them. Contractors can visit site of construction on working days (12 pm to 3 pm) for inspection and clarification of doubts if any. All materials will be supplied from our end as per recommendations from our registered Architect Engineer to the contractor. We hereby seek quotations from bonafide contractors to send labour cost (inclusive of all) for the above mentioned structure within 10 days of publication of this notice. 1% labour cess will be deposited to concerned authorities from the total cost of labour charge. The work should be completed with 21 days after issue of work order.
